“ *Lynette,*

*Nothing but pleasant memories flood my soul when I think about Al. He was kind and very welcoming to our family when we moved to Georgia and joined the AAU circuit. We want you to know that we are thinking of you and pray that you find some comfort in knowing he touched our lives.*

“ *Bruiser was my oldest and sometimes only friend. As children he was full of adventure, imagination, and fun. At a young age he had us plan a worm farm. He was always thinking about business and things we could do just to have fun. I will miss him because he was so important in my childhood and to see the amazing man he became. He will always be in my thoughts as well as his whole family who influenced who I am to this day. Much love and Bruiser we shall have good times again in glory. I'll truly keep your memory in my heart. Love from Debra Coleman and the Coleman family.*
