“ This kind virtuous songstress beautiful woman who visited my mother each day while she was hospitalized with gifts of love and comfort, will now really sing unto the Lord and never get tired. I will always remember her angelic voice in song, and see her lovely smiling face. I pray that she and mama will rejoice together now that they made it over. Dear family I wish that I can be with you all on her celebration day. I'm in California for the month, and will keep you in prayer. Love and peace.
