“ Bev, I didn't know. I've been calling that 770 number for awhile, no answer. Today, the Lord led me to see if you were still in GA. Only to find this out. I'm so sorry I didn't get to talk to you. I think about you all the time on our birthdays. So many John Adams memories, you were my bridesmaid.....Rest well my friend❤️

“ My condolences to the family. May God bless and strengthen you during this time. Bev and I met years ago through our daughters. Shi and my daughter met in St. Timothy elementary school. They became best friends, and as single moms became friends as well. I was present when Bev and Johnny married many years ago. We maintained our special friendship throughout these years. She will be missed by us all. Her memories I will cherish in my heart always.
