“ Billy was my friend for life, giving me many memories. I lived next door before we started school. Mrs. Bray, our fifth-grade teacher, gave us a great start in math by teaching fractions. I always recall him saying, " I got them fractions in my back pocket," but he couldn't get them on the blackboard. He always made you smile. On behalf of the Fair St-Butler Alumni, especially our 1965 class, I offer sympathy to Ludessa, Alton, and all the family. Please let us know if there is anything we can do.
