“ *Brandon loved his customers and his co-workers. He enjoyed helping people solve problems, both professional and personal. He was a man of faith and was eager to share his love of Christ with any and everyone. He was not afraid to spread the Gospel. The HVAC industry lost a good man and it will not be the same now. Brandon made a difference. I miss you my brother, I know you're safe now. May God bless you and your family!*

“ I will miss Brandon’s raspy voice when he would call A0 Credit. Brandon would always ask how I was and how my day was going. He would ask for me to get my sister on the phone (his representative Alma or Shay) and then tell me it was always a pleasure talking to me and for me to have a blessed day! He will be missed. My thoughts and prayers are with the family.

I always enjoyed walking in United Refrigeration and seeing Brandon at the counter. He always greeted us with a "hey brother" with a big smile on his face. We spoke of our faith and I know he had a personal relationship with Christ so I look forward to seeing him again someday. In the words of our friend Brandon (if you knew him you'll understand) "have a blessed day".

Matthew 5:4 "Blessed are those who mourn, for they shall be comforted".
