

Cardoza Paul Clark

March 8, 1959 - February 7, 2018

The story of Mr. Cardoza Paul Clark Sr started March 8, 1959. Born into this world by his loving mother and father Wessie Neil and John Clark. Cardoza was a free-spirited individual who liked to do things his way or no way at all. However, he wanted nothing but the best for his family and friends. Cardoza (Dope) will be truly missed from his outgoing personality, crazy quotes he always made everyone laugh. Anyone that knew our father would say he was quite a character, he took fashion advice from no one, he love to look sharp from his hats to glasses, suits and gold chains he was always a well-dressed man. In 1979 he married his one and only true love Miss Shirley and Clark(deceased). In 1983 they brought into this world twins Akira and Cardoza Jr Clark, 1984 they introduced the world to their third child Tracee Deann Clark between all three children came 11 grandbabies who he dearly loved. Our father loved Outdoors, fishing and watching Westerns on TV. He was a jack of all trades from building things and fixing things he was the one to get it done, no matter how many obstacles came his way he always overcame them and never complained. Cardoza is survived by his mother, three children, 11 grandbabies, Five Sisters, five brothers, nieces, and nephews especially his two favorite Dontia and Danny Clark and lots of cousins. Our father will be truly missed we will continue to carry him in our thoughts and hearts. Even though he's not here with us, we will always love him and he will always have a special place in our hearts forever and ever.
