“ *Ms. Carolyn!! I want you to know that you will truly be missed. You were the first friend I made when I first came to Brenau. When I first met you I was like "This lady is spicy" but omg you were sooooo hilarious!! I will forever treasure our long conversations about any and everything. Lord knows you knew EVERYTHING and always had the best tea to tell, lol. My heart is broken over this loss, but I know you wouldn't want me to stay this way. Thank you for everything you have taught me and the many laughs we shared together. Every Friday we ended our conversations the same way. On this Friday I will do the same: "Stay Blessed and Go Dawgs!!"*

“ I was heartbroken to hear that Miss Carolyn passed away. We worked together at Brenau and talked nearly every day for over seven years. We often laughed until our stomachs hurt and we had tears in our eyes, but we also cried, complained, and shared what was going on in our lives. There was no topic that we couldn't discuss. We sometimes debated and agreed to disagree, but we always respected each other's opinions. She had a big heart and gave insightful and thoughtful advice. Carolyn was like my cool, older sister. We stayed in touch even when I left Brenau and moved away. I wish I could see her smile and say, “Girl, you're crazy,” one more time. My prayers are with her family, friends, and everyone who knew her. She was a ray of sunshine in a sometimes dismal world, and she will be forever missed.

“ I'm deeply saddened to learn of Carolyn's sudden passing. For many years, she was an ever-present friendly face in my office building. We had many conversations about her life, my life, and especially about the troublesome PT Cruiser car she had. We were both so relieved when she traded it for something better and didn't have to worry about how to get to the Campus in the morning. Carolyn always brought a happy ray of light and encouraging words when things were tough at work. She generously shared her personal brand of wisdom with the people around her. I'm only one of the many members of the campus community whose lives she touched. Carolyn will be in our memories forever.

“ Miss Carolyn!!! I will miss our conversations about GA football, Prince, and Brock Bowers! Carolyn was an amazing person. She was so engaging with everyone around her. She took the time to learn about our families, our beliefs, our views, and to just joke. She will be missed dearly. See you again, my friend.

“ For nearly 20 years, Ms. Carolyn has offered our office the utmost in customer care and attention. I look back fondly over the many times she would linger in my office to ask about my children and their many adventures in ballet and baseball. Our talks would include politics, UGA football, the ever-changing weather and her wonderful love of Jesus. She became one of our family members here in the Brenau Admissions Office and will be missed dearly.
