“ Ms.Cathy was an amazing spirit. I must say she definitely left her mark on people. She handled my hiring process. When we spoke on the phone for the first time we laughed and talked like we had known each other for years. Then we finally met in person it was even better. She became a mentor and simply inspiration for me within the department. She was sweet, firm, knowledgeable, respectful, and always had a smile on her face. Her energy was contagious. I must say every golden nugget she has given me thus far has helped. Ms. Cathy always talked about how much she adored her children; their goals and life in general. We never left a conversation without giving each other a hug. She knew the assignment and completed it well. THANK YOU. Sending love, positive energy, peace and strength to the Hale family/Friends.

“ Cathy always had that great smile. She played a pivotal role in my hiring process. I will forever be grateful to her. She was extremely patient and encouraging. On my first day of employment, I went over to her office and gave her a personal thanks for not giving up on me. She truly understood the dynamics of people, that's why she did her job so well for so many years. She will truly be missed. May the Hale family find comfort in the words of Jesus at John 11:25 says "I am the resurrection and the life, The one exercising faith in me, even though he dies, will come to life". My deepest and sincere condolences to the Hale family. Rest in peace my sister.

Cathy was never without that beautiful smile and a kind word for everyone. To her family, I'm sure you know how much she loved you and how proof she was of you. You truly filled her life with joy. When I went to work for GCPD, she was one of the first to tell me that GCPD would become my 2nd family. That proved to be true, and I know that we all now mourn the loss of our sweet sister. She will be missed and remembered by all. Prayers for her family, who made her life complete.
