“ I've known the extended family for years. All decent salt of the earth types. A pleasure to know. I've always thought she was so very cute with nice mannerisms. God must've thought so too. Take a nap that want be near long enough you think because you so weary and tired. Wake right back up with no hurts no pains eternally in you prime.

Surrounded by all those good people that went on ahead. Now here they are!! There is love forgiveness weeping with unmitigated joy and thanks. All praise on high then it's time to catch up on things. You know??? That does sound quite groovy. Still for us their is sadness for the moment. G-D Speed to the family and Shalom
