“ Words can not express the sadness in your hear when a love one leaves to return to God. I've know Bo a many years and I was always greeted with a smile and something funny he would say to me. May God continue to give peace and comfort.

With Love

“ My sincere condolences to the Brownlee family. I remember Clarence (aka Beau) during my years at E.E. Butler High School. He was always the smartest person in all of the math classes and Dora Lee and I were close friends. May he rest in peace.

“ Clarence “Beau” Brownlee was one of the most intelligent and focused members of our 1965 Butler High Graduating class. He was serious about his choices but a fun guy. I recall he and others of the BAM Radio Club who all seemed to be like Beau, smart, focused, yet entertaining socially. He will be missed by many. THE 1965 class remembers our friend and is here for the family.
