“ Willie Grant and family express their deepest condolences for the loss of a great man. We met Clyde some 30 years ago upon moving to Atlanta. He had a heart of gold and a great sense of humor. We will be praying for the family.

“ My deepest condolences to the Jones family. Clyde & I we're great friend and played basketball in high school. My fondest memory of Clyde was that he always had a smile on his face. I had not seen Clyde in probably over 20 years until I saw him earlier this year and the first thing I noticed was that smile. I'm sure that smile will be missed. Rest In Peace Clyde. 😊

“ We just loved Clyde. He was a fantastic person. Always smiling. Enjoyed people. He was supposed to be at home today to look at our air conditioners. It just hurts knowing we will not see him here on earth. I am really glad Clyde was a Christian man. I know he is with our Savior. Tammy and family, we are so sorry. We send you our love and prayers.

“ Clyde has always made me laugh. I could be in a bad mood and he'd drive up the street and holler something funny out of the window and just make my day. For the last 20 years we couldn't have asked for a better neighbor. I would laugh years ago, because my youngest son was the only one that wouldn't get fussed at if he ran across Clyde & Tammy's yard to get to bus stop on time. He was always there with a helping hand when we needed him. Just an all around cool, funny guy and always smiling or laughing when I saw him. My heart goes out to his wife Tammy, daughters and family. I feel a treasure surely has been lost. He will truly be missed and will remain in our memories.

“ I'm still in shock and cannot believe a good man so full of life has left us all so soon. Clyde and Tammy have been our neighbors for almost 20yrs. We have hung out at each others houses' and have had some good times together. Clyde was a man who was always fun to hangout and converse with. And was the type of guy that was willing to offer a helping hand to anyone that may have needed it. I will always remember and cherish his infectious laugh, warm smile, his childhood stories and the hours of random conversations he and I had together. I'm going to miss seeing him in the yard working as I drive up the street going home and stopping just to say hi and he and I would end up having a 30 min conversation. We are going to miss him so much!

“ I met Tammy and Clyde 12 years ago at Sparkles Gwinnett Skating rink. I was going through a divorce at the time and they were so kind and supportive. They became part of my skate family. They also helped me with my HVAC when I bought my house in 2016. Clyde always had a smile and a hug for everyone who knew him. He always had the funniest stories to tell and had a way of making you feel like you were important. I'm going to miss my skating buddy and it won't ever be the same. Continued prayers for Tammy and their family as you go through this difficult time. I know he will be missed by everyone who knew him. 🙏❤️🙏❤️🙏

He was still the fun and laughable guy as he was when we were growing up and in school together. Great guy and always professional. May God bless your soul and keep your family in perfect peace during this time of loss.*

“ To Tammy Jones and family,
We would like to send our condolences and prayers for you on your loss of such a great man, Mr. Clyde Jones. Clyde was my step cousin and I have known him for years. Our family use to visit the Jones family in Jefferson and the Jones family would visit us in Buford. Clyde was always very nice and humorous. He was straight forward and caring. He would take care of my air/heating system and would tell me truth and was very knowledgeable about what he did. He was a great man and He will truly be missed. Blessings and Prayers to you today and always.

“ Clyde Jones was a client and a friend. I loved shooting the breeze with him and hearing him laugh. He had such a warm and inviting laugh... made you want to be his friend. He could take serious issues...break them down, making it easier to see the positive move... and always with a smile. He was a very good man and is already missed by many!
