“ *I regret to hear that my good friend Major Nelson, Jr. has passed. He was my close friend and roommate during my early years at Morehouse. Over the years we unfortunately lost contact with one another. He's someone I will always remember and respect. He is certainly one who made my early years at Morehouse rich and pleasant. I will always appreciate our years together at Morehouse. I express my deepest condolences to his family and loved ones. Rest in Peace, Major. - Dr. David Satcher*

“ To: Major's family, my sincerest sympathy to you. I had the pleasure of working with Major at Gainesville College in the Career Counselling Office. I also was born and raised in Gadsden, Alabama. What a sincere pleasure it was to work along side him daily for five years. He was dedicated to helping students discover their paths forward and whatever it took to get them there, he was willing to do it. He worked long hours and was willing to stay late if he was needed. I truly loved him as a role model for the students and as an example of a Christian. I missed him after I retired. He was a joy to work with and I will never forget him. Becky Box Smith
