“ Teko and I didn't get the chance to meet personally, but we would see each other via video chat.....we shared many conversations, we talked about finally getting together for a walk and talk this month but unfortunately I will have to remember our video chats...R.I.P. my dear friend. I pray that God strengthen this family and remember the peace and love he had for his family, my prayers to all.

*My uncle, Dexter Jackson, was the best uncle, father, son, man I have ever known. Each and every moment he graced us with his presence ... we were truly in the presence of an ANGEL on earth. He will never be forgotten. His love will surpass this world and forever be felt by all of his loved ones. Hey Unc, keep my towel ready by that pool of everlasting life.*
