“ My beloved brother Earl, a very caring and protective brother. My siblings and I are truly blessed that God granted us to be a family. Earl was our eldest member of the family; therefore, he was able to watch our every moment in life until now. I will continue to pray that God grace will carry us through as we reflect on his unique quality to make us laugh and enjoy his excitement of life. As we (Children, Siblings, Family, Friends) all have our moments of grieving that, Lord help (me) us remember that “Surely goodness and mercy shall follow me all the days of my life....” (Ps. 23:6) Earl’s Smile was the gravitational gift to allure your heart and his conversation(s) captivates your attention. 💖
