He was full of so much love and would give you his last even if it meant he would go without. He enjoyed making jokes, anything to see you smile. He just had a passion for people! He truly relished spending

He also loved drawing, playing the lottery, family gatherings, vacationing, and listening to old school music. Eddie was a very hard worker but most importantly he loved hard. He graduated from Gainesville High School in 1984 and attended technical school afterwards. "Ed" touched the lives of many people with his smile and his trademark personality.
