“ To the Burce family, my prayers are with you. I am sorry for your loss. Your mom was really dear to me and I know for certain her feelings for me were mutual. Such a beautiful spirited woman who made a very lasting impression on my life and exemplified elegance, meekness and kindness, which are of many characteristics I could mention. I will not be with you physically today, I am with you in spirit. To you Mrs. Burce, thank you for accepting me in your home and giving me access to your family. I will always cherish my high school years and the times we spent together. I know your smile is bigger and brighter now that you have joined the love of your life. Rest in peace my sweet lady. I love you forever!!!
