“ *One thing for sure I know you crossed Jordan River to take your rest as a citizen of Heaven.
One of God five star generals that went near and far to preach the gospel to the lost.
You was concerned about everyone and spoke the word of God to those that had ears to hear.
You loved us all like we were your natural born children.
I will miss you dearly but you are in my heart to never depart.
The blood done signed your name in the Lambs Book of Life and it is sealed and finished.
Rest for now and remember we will continue this race until we see you again.
Love Always
Your daughter
