“ *GeGe , I had to wait until I could gain some composure before I could express my feeling and thoughts. I remember our childhood days growing up as besties. We were the Pointers sisters at school ( dressing to impress) back then. Oh what fun , we have at school and when we got home. We Always had so much fun - we were the girls on the drive, you will truly truly be missed ❤️ but you will forever be in my ❤️. Love you to the moon and back . Y.B. Stovall*
