“ My beautiful cousins I love y'all. My finest memories of meeting yall when I was seven and not knowing we was related and from there on we was stuck together. She gave me a nickname knowone can call me but yall. Sleep in paradise Big Nine, we love you and truly gonna miss you. Your legacy live through all of us.

My sincere condolences to the family of Big Nine. I remember when Hazel and Flo enrolled at Fair St Elementary. She brought excitement and big smiles to the class room. Hazel was quiet, earnest and frank. She also had a strong presence if you provoked her. She will frankly speak her peace point blank, and there was no misunderstanding about it. She gained my respect from day one, on how to stop bullies in their tracts, ignore and let the bully approach then frankly tell them where to get off. I saw admiration and respect for Hazel in other class mates eyes. May God continue to bless you with His Loving Grace in the following days of bereavement.
