“ I can't believe you're gone. It hurts my heart and soul when you left me. A part of me went with you. You was/are my life and world. I miss you all day everyday. I wish you could have stayed with me but I know you are in a better place. I miss you. It hurts so bad since you left me. My heart and soul is hurt, you're my best friend and my life. What am I to do now? I really don't know how to live without you. Always know I love you and I miss you always. Love always, your daughter Johnnie Mae Millsap
