“ *Can't put into words the void that you left for me to fill. With family in Texas, you kept and nourished my girls when I had no other. You loved them, fed them, braided their hair. Conversations we had were cherished. You will be missed. Your purpose here has been served. You did it all, you did your best. Blessings to the Family. May God smile upon each one of you.*

“ Losing someone we love is never easy, but we must be thankful for. The beautiful moment and memories we shared with them. Your mother was a beautiful and kind soul. And she will not be forgotten.

“ *I am so sorry to hear of the passing of Ms. Inez. When we both worked at Lakewood Baptist Church, there was not a day that went by when she did not bring me joy. Every time I saw her, there or somewhere else, her face would light up and I knew I would hear her sweet laugh and get a heartfelt 'Inez' hug. She shared love with everyone as she went about her work and worship. When I was lucky, we would share a big old pickle over lunch! She will be very missed in this world but I know she is smiling and laughing with Jesus today!*

My prayers for God's comfort go out to her family and to all those who loved her dearly.
