

Jamari Hassan Stringer

April 14, 2021 - February 3, 2023

Jamari Hassan Stringer was born April 14, 2021 to his parents Jalaska Earls of Gainesville, GA and Gloria “Meshay” Stringer of Flowery Branch, GA.

Jamari attended Preparatory Pre K

of Gainesville, GA. He enjoyed going to school and playing with his peers. He was a smart and very loving person. He enjoyed music, singing, and spending time with his great-great grandmother and uncle. He loved soccer and playing the sport on his free time. Jamari aura was very contagious. He always did exactly what he was supposed to do! He loved his mom and was definitely and “mamma’s boy”. Dad was not too far behind with spoiling him as well.

Jamari united the family together in the short time he was here. God allowed this to show us the true meaning of family. He is preceded in death by his grandmother Willie C. Stringer; great great grandfather C. W. Stringer; great grandfather Jimmy Stringer; great uncle Gary Stringer; and special uncle Allen Millsap. He is survived by his parents; his three sisters: Aalyiah

Brown, Janiyah Earls, Jaylah Earls; grandfather David Lee Cunningham; great grandfather James Nuckols; great great grandmother Eloise Stringer; special uncles: Chans Norman, Carey Stringer, Charlie Stringer Jr., Azarael Bonds, and Vodus Norman; special aunts: Shantay Norman, Tiffany Norman, Linda Burton and a host of other relatives and friends.

I'm not a proud person but I need to say something, it takes a lot of guts for you to post all of these comments on here as if you lost him to cancer or something. You took his life and this is the worst part, you then refused to tell the rescue people any information on what drugs he had ingested. NARCAN could have possibly saved his life if you hadn't been so concerned with lying to the first responders.
It also was brought to light that you and the baby's father (ALASKA) EARLS were arrested in 2014 and then found guilty of severely beating a young girl. The child sustained injuries to most of her body, including a broken collarbone and several cracked ribs". The suspect has been identified as 20 year old (ALASKA) EARLS and the mother GUDRA NEEDEVA STRINGER, 22 of Flowery Branch was charged with child cruelty. This fact of you

MJ

I just saw the videos and learned that you Gloria Stringer, his “mother” were arrested and convicted for his death. In your interrogation video you denied everything. You even had the detective pray for you and Jamari while you were denying everything. You were also totally wasted on drugs when the first responders arrived at your trailer and while you were being interviewed by the police. Did you finally confess or are you still claiming innocence? Why did you and this poor child’s “father” keep drugs where this little baby was able to so easily find them? I’m not a cruel person but I need to say something, it takes a lot of guts for you to post all of these comments on here as if you lost him to cancer or something. You took his life and this is the worst part, you then refused to tell the rescue people any information on what drugs he had ingested. NARCAN could have possibly saved his life if you hadn’t been so concerned with lying to the first responders. It also was brought to light that you and the baby’s father JALASKA J EARLS were arrested in 2014 and then found guilty of severely beating a young girl. “The child sustained injuries to most of her body, including a broken collarbone and several cracked ribs”. The suspect has been identified as 20 year old JALASKA J EARLS and the mother GLORIA NEESHA STRINGER, 22 of Flowery Branch was charged with child cruelty. This fact of you both previously harming children is absolutely despicable. Why you were allowed to have children in your custody after doing that, I’ll never understand. You should have used birth control since you both knew that you didn’t like children or want to care for them. You beat one almost to death and this one actually died in your custody. Not sure if Jamari’s relatives are aware of these facts or not but I thought they deserved to know. Gloria Stringer should never be around children after she gets out of prison for the death of Jamari and JALASKA J EARLS should NEVER be allowed to be around children again either. Both families, his and hers needs to be aware of this. RIP Little Angel Jamari.
