“ I love you daddy and I miss you already. We talked on the phone almost everyday. You always called me your baby girl. When I would remind you of my age, “you would say you don’t care how hold I get, I will always be your baby.” My love for you is real. I didn’t just tell you I love you but I showed you how much I love you. When you completed the program and you walked across the stage in Jacksonville I was right there to cheer you on and to show you how very proud I was of you and your accomplishment. When I got the call that you were in the hospital and your health began to fail, I dropped everything and flew to Jacksonville to be by your side. I am so grateful to GOD for allowing me to be with you when you took your last breath. I love you daddy more than mere words can convey. You are gone but will never be forgotten. I carry you in my heart daily. Rest easy daddy.

Love always your baby Vickie.
