“ *Jas, its been maybe 14 years since we spoke but it seems like the other week we were at my house listening to music and sitting outside at the stop sign. To know you since my early adolescence and then to see this news years later is beyond shocking. Your personality was meant to thrive for many decades more. I wish we would've had one last encounter in this life! Till the next one. - Bri*

“ Jasmine I remember when we first met though ur brother. We been through so much together when u was younger I use to stay the night with u and we would watch movies. Even though we went our own ways as we got older I never forgot about u. I asked Josh when I talked to him how u was doing. Wish we could have cought up but got had other plans rest easy 😊 see u on the other side
