“*Unc, One of my favorite memories with you is when you recorded Me, Shay & Maine-Maine making up a rap remix (Crank Dat Cereal) to Soulja Boy “Crank Dat Soulja Boy”. You were down for the song! Cheered us on the entire time- ready to be our manager LOL. You will be missed dearly as you always looked out for everyone around you. “Niece you good?”, you would say! Gone way too soon but we gone hold it down for you! Tell all of our Angels, we miss them too! Love You Unc! Watch over us!*”

“ My memory of Jermaine was a person who’s smile and laughter would light up room, he was filled with kindness that touched many others in his life. He was a voice of reasoning and compassion, others seeked his wisdom to better their lives. He was the person who would take his shirt off his back and give a helping hand to those in need, even if he would give his last dollar to make sure someone wouldn’t go without. An amazing human being that will truly be remembered and loved. Truly going to miss your presence.
