“ *We had breakfast with Pops at Waffle House just about every morning. We learned so much just listening to him tell about his life. We also met his wife ,Patricia. It seems strange not seeing him now. Pops is singing and preaching in heaven. The things he has already seen. Our deepest sympathy with your family. You are in perfect health now. “*My prayers go out to the Mayweather family. Pastor Johnnie L. Mayweather was a great mentor and a great friend. I will never forget how many times he blessed me in my ministry, teaching me what to do and what not to do and ultimately preaching my revivals. He was a man full of the HolyGhost and one of the best singing and preaching preachers of this era. He was a preachers friend, he was my friend. I thank you for sharing the love of God with all of us. Truly you will be missed.*”
