“ *My thoughts and prayers reach out to Jordan and to all the family. This is a time of grieving that can only be placed with the good Lord as we try to understand why lovely young people are often taken into the kingdom of God at such an early age. I have always felt the Lord must have a greater purpose for such gifted people in His realm. You will be greatly missed by us all and we are happy you have journeyed to a such a beautiful place. All who knew you look forward to seeing you again one day. Good bye just till then, son.*
