“ It has been my pleasure to know Mrs. Lynn. Better known as my "Pretty Lady." She has comforted me in many ways. She was always there for me even with just her smile. She helped me be a better me even in her silence. She always checked on me to make sure I was ok. Especially when she didn't receive her hug from me every day at work. She will be missed but never forgotten. Love you Pretty Lady forever and always in my heart.
