“ *I'm stunned by this. I was fortunate to see Perry playing drums at Free Chapel several years ago. His music musicality and approach inspired me, to the point where I introduced myself to him after a particular service. He was very approachable and we eventually kept in touch. He always referred me to several gigs and was always speaking positively. Unfortunately, the last time I talked with Perry was February 2021. I will truly miss him.*

“ Sincerest condolences to you and your family, Crystal, as well as the entire Perry family. Perry (as we called him) was a great person to be around with a wonderful presence and absolutely loved his wife and children with all his heart.

Perry will be missed dearly. I have known him since I was 17 and have worked with him for the last 21 years (USI, Ista and Yardi). He was not a coworker to me, he was family. He was my older brother there to have great talks, share advice and knowledge with each other and to always have a good laugh. I will miss him calling me “Myers” as he was the only person that called me that.

Continued prayers and love to you all during this difficult time and beyond ❤️

“No words can express how I feel at the news of the passing of my BABY brother!! We had a "special bond" that words nor time could describe. Although we didn't see each other often, when we did, we picked up right where we left off!! Brother I Love you with all my heart, and rest in knowing that you successfully completed the mission that the creator sent you here to do, and now you're resting in his arms. Love Always, your Big Bro Joel

“ Perry you will definitely missed my guy, but not forgotten. As a colleague you impacted my career tremendously. As a friend you was always there to joke, laugh, and guide.

I remember the first time seeing you play drums, bro you Beat the pads off!!! At that moment I knew that was your happy space. That camera man and the congregation felt the energy.

My condolences to the entire Perry family, may he stay with you in spirit. I'll see you in my dreams my friend.

He was always so real and nice to be around and like the big brother I never had. He will be missed. Praying peace and comfort the Crystal and the family.*

“ Sending condolences and prayers to the family. Martin and I worked together at Yardi. He was an integral part of the team who became part of my work family. Whether he was sharing an encouraging word, telling a joke, talking about his loving family, sharing his joy of music, or talking about a sporting event that happened the night before, Martin was a hard worker who always had a great attitude and good, positive energy. He will truly be missed.

To know Martin was to love him because he was the walking personification of LOVE. Time and space would fail me to write what my heart feels for his family and his absence after knowing him 40+ years. I know he's in the ONLY place he'd be ok with being other than with his earthly family, is with his heavenly family. Praying for peace & strength for his earthly family ❤️ 🕊️
