“ Sylvia lit a candle in memory of Mercedes Annabell Hernandez

“ Mercedes Annabell Hernandez was a kind soul and had a servants heart. She was the daughter of Stacy and Ray Hernandez and had two younger sisters that she loved very much, Lillieanna and Sofia. Mercy took care of her mother when she was sick and made sure that her sisters were cared for and was the family's centerpiece. She was loved by everyone that knew her. She always had a smile and never let her problems become someone else's problems. She a was a beautiful, smart and talented girl that had the whole world before her and was taken from this world too soon for us but God's time is not ever wrong. Mercy we love you! You will live in our hearts and your example of servitude and kindness teaches us still how to love each other better. I hope you are able to rest and find peace now and know that your life mattered and that you are loved.

“ While your time with us was brief your selflessness will always be remembered. You gave a lot of love to your sisters and family. Everyone that knew you commented about your kindness and goodness. You were an earth angel and now you're in heaven.

Merce you have touched so many hearts with your heart being so pure and selfless. Our Heavenly Father must have needed his angel! May you watch over your sisters along side your grand mom that you were not able to meet. May you and my dearest sister Anne keep your heavenly love and protection over your mom and sisters ❤️🙏
