Michelle Chatman - April 28, 2021 at 12:38 AM

“ Words cannot express the pain and sorrow I feel with the loss of Michelle.

We lost an incredible woman, fantastic educator, and amazing coach.

Coach Riley was a strong God-fearing woman. She inspired her students, athletes, co-workers, friends, and family to reach for the stars.

She had a huge heart and was always there for anyone that needed a helping hand.

She constantly put others before herself and truly impacted the lives of everyone that had the opportunity to know her.

Michelle treated everyone like family. She was the heart and soul of Campbell High School's PHYSICAL EDUCATION Department. I will forever miss her, my best friend, my sister.

May you Rest In Peace Riley. I will forever cherish every memory and every moment I spent with you over the last 15 years.

All of my thoughts, love, and prayers go out to her family and friends as we all mourn the loss of a friend taken from this world way too soon.

TO MY DEAR FRIEND:

Today is the day that you will be laid to rest,

But you know girl what they say, God only takes the best.

Everything happens for a reason, Even if we may not agree.

Just promise to look after us, and save a spot up there for me.

The thought of never seeing you again brings tears to my eyes,

And even more so, Because all of this was such a surprise.

But we should never question the things that God has planned,

Sometimes it's just not meant for us to understand.

So as I sit here and mourn the loss of a truly beloved friend,

I will have to keep reminding myself that we will meet again.

 *Love & miss you Coach*

“ As everyone else, I'm hurt and stunned. I used to teach with Coach Riley at Floyd Middle and used to attend church with her at Turner Chapel. Once I moved on to another career, I would bump into her here and there. She always was welcoming, showed sincere concern and wore a big smile! She will be missed on this Earth, but I pray she's now resting in the Arms of the Lord. My heart and prayers go out to her daughter, the rest of her family and to the community who loved her. R.I.P.
