“ *Words can't explain how I feel losing you. So sudden, so unexpected. It has still yet to hit me that you're really gone. Every day I ask myself how can I accept your death. How and when will I come to terms with you being going??? I don't know when or if I ever will. I keep trying but I can't. I look at your pictures daily and it still seems so surreal. I look at your autopsy pictures hoping it will hell me but it doesn't. But I do remember the good times, all the laughs and fun times. I'll never forget you or kammy. I'll make sure the girls are always taken care of and I'll always make sure they cherish the good memories they had with you both. I love you and you will forever be missed and forever in my heart. Relax just a little, as I know you will not rest completely until..... I worries sis. We're working on it. Until we meet again.*
