“ In remembrance of our **AWESOME SISTER, FRIEND & PASTOR -- Pastor Gail!**
We have so many found memories of your love and your dedication to **GOD and HIS PEOPLE!**
Your love for the children was so enormous and genuine, and gave so willing and unselfishly!
We are so grateful to **GOD** for allowing our paths to cross, and we know that our loss is Heaven's gain! Weeping may endure for but a night, but joy cometh in the morning! I know the heavenly Angels welcomed Pastor Gail at her arrival on September to be with the King! She is now at peace in the presence of the **LAMB! Hallelujah!**

“ On Behalf of our Pastors Justin & Renee' Cannon we the members of High Praise Christian Tabernacle send our heart felt condolences to the family of an amazing soldier of the Lord, " pastor Gail Branch White"! What a privilege to have been able to worship and Praise our Lord and Savior with Pastor Gail' her tall stature and distinctive smile was a welcome sight in the services of our anniversary, we were so honored to praise God with her. We were glad to see her in the House after we had extended our love and prayers to her in her vigilant fight to press on in spite of the battle; it was such an inspiration to many!

We pray that our comforter and strength, Jesus Christ will be with her beloved family now and in the days to come as they adjust to life with out her!

We look ever forward to that great getting up morning when God Will awaken those that sleep in Him. Rest well dear woman of God, Well done!

May the Lord Bless and keep You,

“ Our hearts are saddened to think we will not see our dear sister and friend; Pastor Gail Branch White on this side again!, But knowing that her soul was anchored in Christ and her faith unshaken in the power of God gives us comfort that we pray the family will hold on to in this trying time! There are too many memories to share, but our Sister was a bold, strong and vibrant warrior of the Lord! She brought so many to the House of God and her unending love for education touched so many young lives! She spoiled our baby girl (her Goddaughter, " Alexis, to her "Lexie Pooh") so that I was jealous of she and Miss. Celeste, because there were times Alexis acted like she wanted to stay with her even after school was over and many weekends were hers to lavish and spoil her the more ! We salute you dear friend and bid you love and peace till we meet again!
