“ To Patricia’s family I will not be able to attend. I am out of town with my mother. *I hired this wonderful lady at KRK and we became instant friends. We knew the boundaries of employee employer and never breached them. I am heartbroken that I didn't know she was in the hospital and had been for a month. I went to see her immediately and she was asleep. I at least got to see this precious lady and pray at her bedside. I hope she knew I was there. Patricia was one of a kind, A Virtuous woman, more precious than jewels, value far above rubies and pearls...her children rise and call her blessed and her husband praises her, who reverently and worshipfully fears the Lord shall be praised, Give her the fruit of her hands, and let her own works PRAISE HER IN THE GATES. Proverbs 31. I love her dearly. Amen
