“ I wasn't able to be around Grandma as much as I wanted to be, but when I was I felt nothing but joy and happiness and love. She always showed me love and acceptance. Never afraid to tell me how she felt, but always told me she was proud of me. My daughter always loved going to Grandma's house with her daddy. Grandma would pick up the phone and just talk to me sometimes and ask me how life was. She will be dearly missed by my daughter and I. We love you Grandma. Fly High!!!

“ Pat was a very sweet loving lady that would show the care every time you walked into the room. I have honestly struggled posting anything lately but I will say she is most def missed by many people. But I do know she would be telling everyone to just be happy . I can see her smiling face and her soft touch She would always touch me on my face and tell me she loved me and was very proud of the moma I am and I will strive to continue making her proud .She was like my second moma and I couldn't of asked for a better mother n law. We love you very much. Kenny Jennifer Cameron Justen Jacob Destiny Kaylee and Phillip .
