“ *Sandra , I call on you everyday, there will never be enough patches to stop my heart from bleeding. Some times I can't breathe when I think about you are not with me. I will never ever have another like . please come back to me as an angel so we can have chats like we used too. I look for you every night. I miss you my buddy. I miss you my friend. I know God is coming back soon, the world is getting darker and darker. So much evil in the world, untamed evil. Sandra, we had so much fun, I will always love you.
