“ A dear devoted friend. We shared many laughs together and our friendship from 1st through 12th grade made our bonding more special. Even though we didn't visit as often as we should have, when we did it was if we had never been apart. I know you are in the Heavenly Kingdon smiling down on all of us. I smile with you. Love you Girl Johnnie Ellington

Jane was a wonderful human being and a fun classmate of mine. I was very close to her brother Lazerus (Bean) and most of the rest of her family. My love to her daughter and her wonderful family.
