

Sukiyaka Jahi Waters

March 30, 1981 - January 11, 2020

Sukiyaka Waters was born on March 30, 1981. Born and raised in Gainesville, Ga. She was a 1999 graduate from Gainesville High School. The Lord called suki home on January 11, 2020 after serving thirty-eight years on the battlefield.

Yaka loved to sing and cook. We called her the spicy girl because she could spice up a meal and sing at the same time. Yaka is what we called her, but she prefers you to call her Suki. (Suki-yaka) a taste of honey worked at Subway where she became the general manage. Every Subway she worked the customer loved her. People would tell us "That girl know she can make them subs." Her customers would follow her from one location to another, they called her "Sweet Girl".

Suki (Yaka) had a big heart, huge personality and is sweet as she can be. Suki (Yaka) was a strong leader and very independent. She made her own style when it came to her hair. Every time you see her it was different. Suki always had our backs. Her brother (GJ) was like two peas in a pod. She loved her nephew (Zay) and her niece (Mya). She always wanted one on one time with those two. They called it fun time. If things didn't go right with her mother, she would always call her "Ana", her mother's middle name. Suki (Yaka) made everyday a special day because she was a "Very Special Lady"

Suki (Yaka) is preceded in death one sister Sheraka Cantrell, step-father Robert Cantrell. Yaka celebration of life will be remembered by her mother Teresa Cantrell of Gainesville, Ga., father Frederick Waters of Stone

Mountain, Ga., one brother Greylin (GJ) Cheeks of Gainesville, Ga., one niece Mya, one nephew Zay both of Cleveland, Ga., grandmother Stella Brown of Gainesville, Ga., and Ophelia Waters of Stone Mountain, Ga.; Special friend Jerome Howard "JD".

“ *I worked with Suki at Subway, and in the short time I worked with her she ALWAYS brought an overwhelming amount of positivity to the store. Gave myself and our co-workers plenty of laughs and made sure the customers left happy. She was a hard working woman and I am very sure that up until her last moments on this Earth, she was still working hard and never giving up. She was nothing short of an amazing individual and I am honored and humbled to have gotten to meet her. She gave me and my little sister advice on body positivity and staying strong even in the darkest moments, and that is something that not only I will remember for the rest of my life, but my sister will too. A light in this world that was taken far too soon. My heart hurts upon hearing this news, but at the same time, I am relieved that she is relieved of all her pains and worry. May she rest peacefully and pain-free.*

Thank you, Suki, for everything you told me and showed me. I will never forget your incredible attitude and work ethic.
