

Travion Jymere Cockfield

April 2, 2001 - August 1, 2020

Travion Jymere Cockfield 19 of Gainesville passed away Saturday August 1st. Travion was born April 2, 2001 to Taurus & Ashia Cockfield. He attended and graduated from East Hall High school with honors. Travion loved music, he played for East Hall Band, Greater Timberridge, and other events.

He also attended Lanier Tech majoring in Business. His sweet gentle spirit would warm up any room. His smile was so contagious. He was an upstanding person in the community and loved by so many. One of his many goals was to graduate from college. He would often say "Don't argue, stay off the phone and grind harder, no matter what provide for your family, stay low key, never forget your brothers. Always Live. Love. Laugh. And Never forget where you come from."

Travion is survived by his parents, Taurus and Ashia Cockfield; his brothers Taurus Cockfield Jr. & Shihiem Hughley and sister Haley Goss. He also leaves his grandparents Leroy & Gloria Goss, William Stanley Cockfield, and Rose Cooper. He is also survived by his special friend Summer Howington. Also, a host of aunts, uncles, cousins, and friends.

There will be a balloon release directly after the service.

“ To the Goss & Cockfield Family so sorry for your Loss
God has a home for your love one that we can not see.
One day we also in a new home will be.
Only God knows when our time may come I say.
Some people don't believe in God & want see it that way.
Death seems to leave an empty space in our heart, when
a Love one pass away. God will fill up that space one day.
Family & friends return to their homes.
Just remember God will never be gone.
Call on him in prayer and you will never be alone.
Sometime we ask, why my Love one God?
We feel heart ache and pain, for us that is hard.
There is no more pain for our Love one because they are in eternal rest.
God know you Love Jymere but He Love him Best
Clara, Friend of Nathan Neal

“ I am so sorry for your loss. I just want to let you know I also remember Travion as being special. I was a substitute teacher for East Hall High School. Whenever TJ was in my class I knew I could count on him to do his work in a timely manner and with excellence. He was such a good example for others in the class. They looked up to him. He was always very respectful and I never had to get on to him for any reason. It was a shock to learn of his death. I shall always remember his smile.

Sincerely,
Karen Hoyt

“ My daughter Chan went to Myers Elementary school with Tre. They were friends I always remembered him from his huge beautiful smile it stood out it just lit the room. They stayed in touch over the years. We was just laughing about the Halloween party at Myers Tre and his dad broke out break dancing in the middle of the floor. So full of life God has a true Angel right now. My prayers are with his family and friends.

“ My brother would dance to anything, anywhere at anytime. If you loved TJ carry him with you in your hearts. Travion was caring, compassionate, considerate, and most of all happy. My brother found the secret to living this life. Cherish the small things and never forget your family and beginnings because these are the things that you have in the end. Friends fade, money fades, everything fades but the love and happiness your family gives never does. I wish he could see all you beautiful people that trust, support, and love him. Thank you all #livelikeTJ #lovelikeTJ #laughlikeTJ #LLTC

“ In middle school, we were very close. I remember in Mrs. Webb's class he would just crack jokes and talk to EVERYONE, he didn't care he always wanted to make sure everyone had someone to talk to and laugh with. Anyways, he had switched glasses with me and we took so many crazy pictures together. Tray, you will be so missed. I cannot believe you're gone. 💔

“ My dear neighbor and elementary friend, Tray. We grew up together and always laughed together . We would laugh and cut up on the bus everyday . Once we hit highschool, we continued to talk . From just daily talks at school to after band practices . He always worked hard. He was always the life of the party . He could brighten anyone day regardless if he knew you or not. Tray was very talented, determined and kind hearted . He would give me advice and made sure I had a good day . I know he is dancing and laughing in heaven . I love you and will never forget you . I will cherish the memories you left. Your family and friends are in my prayers ❤️
