Tyree my most memorable interaction with you is when we were much younger and you would come by my house with a large bag of chicken drumettes and say Auntie will you fry me some chicken, I would always say "I sure will" and fry up that whole bag. You would sit there and eat the entire bag with us laughing and talking, nothing but chicken no sides. We even laughed about it this past Thanksgiving(2023) when you and your son stopped by. I will cherish this memory even more now R.I.P nephew....much love
