“ My name is Barbara Ann Johnson his first born even though me and my dad was not close Someone should have contact me ,that was very low down of his wife to put he didn't have no kids he have me and two wonderful grand kids that he chose not to be in there life. And they both in college. So I'm hurt and mad at the same time. But Father our lord and savior will take care of it ,you can't do someone wrong like that and just go on living your life. I will miss my dad but I wish things would have been different. 😞
